House rules for guests

Welcome to the open Bacsó Béla utca.

The Józsefváros Municipality temporarily opened the section of Bacsó Béla utca between Vásár utca and Bérkocsis utca for local residents and local businesses for the summer.

The street is planned to be open from June 18, 2021 until October 3, 2021. If this experience proves to be successful and is supported by residents, then Bacsó Béla utca will be open to residents on a temporary basis for the summer in the future as well.
